**Moore County Health Department Makes Available
County-wide Health Resource List**

The Moore County Health Department recently released a County Health Resource List. It is a comprehensive list of providers of health and wellness services in our community, including emergency assistance, general health, substance abuse/mental health, and various support groups.

The list can be accessed by visiting the Health Department website at www.moorecountync.gov/health. Copies are also available at the Health Department located at 705 Pinehurst Avenue in Carthage.

The list is being made available through the Health Department's Health Education Division. Health educators are available to develop and present programming for various community groups on a variety of topics. The Health Education Division can also provide free educational materials, resources, and referrals upon request. For more information please contact 910-947-4512.
